

The diagram illustrates the deck layout of a ship, showing various rooms and equipment. The layout is organized into three main horizontal sections.

Top Section: This section contains several rooms and equipment, including INT1, A4, Q01, Q02, Q03, Q04, and PC1.

Middle Section: This section contains rooms and equipment such as Q1, KM1, Q2, KM2, KA1, KSEC1, KSEC2, and A1.

Bottom Section: This section contains rooms and equipment including VAR1, U1, A2, A3, C1, XT I, TI3, TI2, and TI1.

Below the main deck layout, there is a detailed view of the ship's hull structure, showing the arrangement of various equipment and components, including XM1, XM2, XAU, XCC, XCS, and XAF.
