

**COUPE A-A**

Technical drawing showing a cross-section (COUPE A-A) and a top view of a mechanical part.

**Dimensions and Tolerances:**

- Top View:**
  - Overall width:  $78$
  - Overall height:  $48H7$
  - Central hole diameter:  $\varnothing 12H7$
  - Four corner holes diameter:  $\varnothing 4,50$
  - Distance from center to corner hole center:  $36 \pm 0,1$
  - Distance from center to corner hole center (vertical):  $30 \pm 0,01$
  - Distance from center to corner hole center (horizontal):  $24 \pm 0,1$
  - Distance from center to corner hole center (vertical):  $36 \pm 0,1$
  - Distance from center to corner hole center (horizontal):  $36 \pm 0,1$
  - Distance from center to corner hole center (vertical):  $58 \pm 0,1$
  - Distance from center to corner hole center (horizontal):  $60 \pm 0,01$
  - Distance from center to corner hole center (vertical):  $78$
- Cross-section (COUPE A-A):**
  - Overall width:  $78$
  - Overall height:  $23$
  - Central hole diameter:  $\varnothing 16$
  - Two side holes diameter:  $\varnothing 8$
  - Distance from center to side hole center:  $30 \pm 0,01$
  - Distance from center to side hole center:  $12 \pm 0,01$
  - Distance from center to side hole center:  $4$
  - Distance from center to side hole center:  $10$
  - Distance from center to side hole center:  $5$
  - Distance from center to side hole center:  $14$
