

A-A

Technical drawing of a semi-circular part with a central slot. The drawing includes the following details:

- Outer diameter: $(\phi 63)$
- Slot width: $1,5 \times 30^\circ$
- Slot depth: $1,6$
- Surface finish: $Ra 1,6$
- Dimension line J indicates the distance from the center to the edge of the slot.
- Fit specification: $(*) \phi 30 H7 (E)$
- Table of fit specifications:

ϕ	1	D
\equiv	1	A

[illegible]

Technical drawing of a shaft-hub assembly showing a cross-section. The drawing includes the following dimensions and tolerances:

- Shaft diameter: $\phi 106,3$
- Hub bore diameter: $\phi 98 \text{ H7 (E)}$
- Hub bore tolerance: $\pm 0,4$
- Hub bore feature control symbol: B
- Shaft diameter tolerance: $\pm 0,19$
- Shaft diameter feature control symbol: 5
- Shaft taper: $1,5 \times 30^\circ$
