

PLAN
PIECE 2
THICKNESS 6 mm

Technical drawing of a mechanical part, labeled "PLAN" and "PIECE 2", showing dimensions and features. The part is a rectangular plate with a central vertical slot and two circular features at the top and bottom. The overall dimensions are 116,0 mm in width and 285,0 mm in height. The central slot is 90,0 mm wide and 250,0 mm high. The top and bottom circular features have a diameter of 30,0 mm. The part is shown with a blue outline for the main body and a red outline for the central slot. The text "PLAN", "PIECE 2", and "THICKNESS 6 mm" is written in red. The dimensions are written in black.

Technical drawing of a stepped profile. The profile consists of a vertical segment of height 50,0, followed by a horizontal segment of length 50,0, and then a vertical segment of height 9,0. The total height of the profile is 59,0. The horizontal segment is divided into two parts: a rounded corner with a radius of 18,0 and a straight section of length 32,0. The vertical segment is divided into two parts: a rounded corner with a radius of 18,0 and a straight section of height 9,0.
